Miss u 4 ever  
Miss u 4 never (x4)  
Never (x4)

How can it be  
That you are so elusive  
Why can't i see  
Through these tear stained eyes  
I cannot get you  
It's very impressive  
I reload again  
This love blast is massive

I take my aim  
And i will miss you forever more  
I do live pain  
Since I miss you nevermore  
I take my aim  
And i will miss you forever more  
I do live pain  
Since I miss you fucking whore

Miss u 4 ever  
Miss u 4 never (x4)  
Never (x4)

Tender blow job  
I resolve my anger  
Another whiplash  
I'm a genuine spanker  
Dismiss this hurt  
A barrel of affection  
You wallow in dirt  
Love's lost reflection

I take my aim  
And i will miss you forevermore  
I do live pain  
Since I miss you fucking whore  
I take my aim  
And i will miss you forevermore

I do live pain  
Since I miss you what a bore
