This is the strength of my conviction  
This is my will to stand against the flood  
Im going to dig my heels in  
I will never turn my back on you

We are the named  
We are fulfillment of a prophecy  
Where is your heart?  
Where is your courage?  
And by the Word of God we stand against the  
hurricane  
Where is your heart?  
Where is your courage?

Why do we give up our childhood dreams in favour of  
becoming cynical?  
Our time is short, any day it could run out  
So while weve got life, lets live it in full

Well live life to the full

Where is your heart?  
Where is your courage?

You want to know how far Ill take what I say?  
Test me

Id give my life before I would step down

I pray we would find the courage to stand up for one  
another  
To follow in God, our Fathers footsteps  
To bring love to this world

To bring love to this world  
To stand up for one another  
Lets bring love to this world and stand up for one  
another

Bring love to this world  
Stand up for one another

Bring love to this world  
Stand up
