You lick your fingers  
I'll wipe up the bottles that spilled  
I'll just get drunk and you just keep pop, popping your  
pills

I've got my head in my hands and it's doomsday over  
nothing  
Keep your head up, keep your head up, keep your head  
up

I'll lay you down in the Florida sunshine  
If you promise that you will  
I gladly gave you something for nothing  
But then you moved in for the kill  
'Cause you are crazier than me  
And I'm crazy for you

You keep on spending  
I'll just keep on paying your bills  
I've had enough and you just ca-ca can't get your fill

I've got my head in my hands and it's doomsday over  
nothing  
Keep your head up, keep your head up, keep your head  
up

I'll lay you down in the Florida sunshine  
If you promise that you will  
I gladly gave you something for nothing  
But then you moved in for the kill  
'Cause you are crazier than me  
And I'm crazy for you

I'll lay you down in the Florida sunshine  
If you promise that you will  
I gladly gave you something for nothing  
But then you moved in for the kill

I'll lay you down in the Florida sunshine  
If you promise that you will  
I gladly gave you something for nothing  
But then you moved in for the kill

'Cause you are crazier than me  
And I'm crazy for you
