

As Hell Retreats

"Relinquishes Lead To Worse"

You decide to go down the weak end
Why give up? Why surrender?

Why do you let the vultures take you apart bit by bit?
Ending up like a carrion, and they will enjoy it.
Let your mind think for once and put in thought on how
you will put the important someones in the mode of
sadness.

This song isn't just going towards the weak who have
rid their life.
It's also going towards you cowards who want the
attention you get by promoting a being's death to try
have people feel...

... SYMPATHY FOR YOU!

I'll let you know that I am not the weak one who will get
fooled by this sick trick.
