Tell You Something (nana's Reprise)

Get so caught up everyday  
Tryna keep it all together  
While the time it slips away  
You see I know nothing last forever

Imagine there was no tomorrow  
Imagine that I couldn't see your face  
There would be no limit to my sorrow  
So all I can say

I wanna tell you somthing, give you something  
Show you in so many ways  
Cause it would all mean nothing if I don't say  
something before it all goes away  
Don't wanna wait to bring you flowers, waste another  
hour let alone another day  
I'm gonna tell you something, show you something,  
won't wait til it's too late

[2x] (I can't wait I can't wait I won't wait I don't wanna  
wait)

Just a simple conversation  
Just a moment is all it takes  
I wanna be there just to listen  
(I wana be here)  
And I don't wanna hesitate

Imagine there was no tomorrow  
Imagine that I couldn't see your face  
There would be no limit to my sorrow  
Cause there's nothing that could fill that space  
I don't wanna put it off for too long  
I didn't say all that I had to say  
I wanna take my time and right the wrong before we  
get to that place

I wanna tell you somthing, give you something  
Show you in so many ways  
Cause it would all mean nothing if I don't say

something before it all goes away  
Don't wanna wait to bring you flowers, waste another  
hour let alone another day

I'm gonna tell you something, show you something,  
won't wait til it's too late

Just lean on my shoulder,  
It's not over til it's over  
Don't worry bout it cause  
I'm gonna make sure Ima get stronger  
I don't wanna wait til the storm and something wrong  
and now your gone and I can't find ya

I wanna tell you somthing, give you something  
Show you in so many ways  
Cause it would all mean nothing if I don't say  
something before it all goes away  
Don't wanna wait to bring you flowers, waste another  
hour let alone another day  
I'm gonna tell you something, show you something,  
won't wait til it's too late

I wanna tell you somthing, give you something  
Show you in so many ways  
Cause it would all mean nothing if I don't say  
something before it all goes away  
Don't wanna wait to bring you flowers, waste another  
hour let alone another day  
I'm gonna tell you something, show you something,  
won't wait til it's too late

I wanna tell you somthing, give you something  
Show you in so many ways  
Cause it would all mean nothing if I don't say  
something before it all goes away  
Don't wanna wait to bring you flowers, waste another  
hour let alone another day  
I'm gonna tell you something, show you something,  
won't wait til it's too late

(I can't wait, I can't wait, I won't wait, I don't wanna wait)
