Have you ever heard
Of a dreamer girl
Living in a world
So far away
You might think that she
Is a bit naive
When she says that someday
She'll be your queen

Isn't it possible?
Is it a crime?
Or is it just a silver state of mind?
Baby baby
Close your eyes
Life's a dream
Maybe someday one day...

I dream of simple things every day
I dream that love will come my way
I dream of many lives
I cross the stage
I dream that in this world I can make a change

Is it possible?
Is it a crime?
Or is it just a silver state of mind?
Baby baby
Close your eyes
Life's a dream
Maybe someday one day...

Tell me that I could have it all
Tell me that I wouldn't change at all
Tell me this road is not too long
Will I give up a few years from now
Will I be strong someday somehow
Tell me that I should keep holding on

Baby baby
Close your eyes
Life's a dream
Maybe someday one day...

Baby baby
Close your eyes
Life's a dream
Maybe someday one day...
