Just the other day, the other day  
I was talking to the weather man about today, oh, oh,  
oh  
And all, all he could say  
Was no one knows tomorrow

See I can read the weather, child  
I can say maybe the rain will fall, the sun will shine, oh,  
oh, oh  
But that's as far as my story goes  
'Cause no one knows tomorrow  
Oh, oh, ha, no one knows tomorrow

Tell me what's the need to go to war  
All the killings just to settle some one else's score, oh,  
oh  
When the victory isn't even sure, oh, oh, oh  
No one knows tomorrow

See we can study history  
And philosophy and Plato's ideology, oh, oh, oh  
But tomorrows still a mystery  
No one knows tomorrow, oh, oh, ha

No one knows tomorrow, oh  
No one knows tomorrow, oh, oh, ha  
No one knows tomorrow, oh, ha

Tomorrow is your opportunity to fail  
Or be successful if you please, yes indeed  
Tomorrow is a politician's today  
It's the victim of decision and the future of our children

So when I die someday will I be in heavenly places  
Singing hallelujah with an angel on the piano?  
Or will I be just another contribution  
To the earth, the tress, the grasses as tomorrow slowly  
passes?

No one knows, no one knows  
No one knows, no one knows  
No one knows, no one knows

No one knows

So when I die someday will I be in heavenly places  
Singing hallelujah with an angel on the piano?  
Or will I be just another contribution  
To the earth, the tress, the grasses as tomorrow slowly  
passes?

No one knows, no one knows  
No one knows, no one knows  
No one knows
