Every day is not a holiday  
My life's like a subway  
Oh I know this love don't last

Look at me tell me what you see  
Do you believe this love is real  
Oh I know this love don't last

I have come from faraway  
To see this go down the drain

I have waited patiently  
And this is what I get  
Emotionally failing me

My whole wild world is caving in  
I try so hard to express myself  
but The woman in me  
o o o don't fade away

My mama say baby be careful  
If any body comes to say I love o o o  
My papa say baby I warn you  
If anybody comes to say I love you

Now you asking me to trust you  
Tell me how am I supposed to  
When I know this love don't last  
Could this be the kind of love ?  
That my mum use to warn me about How will I know  
that this love will last.

I have come from far away  
To see this go down the drain  
I have got so much to give

But I don't know what I'll get  
Emotionally failing me  
My whole wild world is caving in

I try so hard to express my self  
but The woman in me don't fade away.

My mama say baby be careful  
If any body comes to say I love o o o  
My papa say baby I warn you  
If anybody comes to say I love you

Yeah Yeah

My mama say baby be careful  
If any body comes to say I love o o o  
My papa say baby I warn you  
If anybody comes to say I love you
