Baby, I've got some news  
You ain't gonna like  
Baby I've gone and made you my muse  
Believe me, I wasn't even trying.

Now, I've got you on the run again  
Now I've got you leaving on your train  
Now I've got nothing in my hand  
Now I've got you on the run again

Babe, you've got me on the ropes  
Babe, you've got me, only god knows  
Disappearing with no cause.

Now, I've got you on the run again  
Now I've got you leaving on your train  
Now I've got nothing in my hand  
Now I've got you on the run again
