Your slot machine is broken  
But that's where my coins will go  
I'm a gambling man, I am  
But I like it when the odds are low

You're dealing from your elbow  
And the aces are packing in  
I'm a gambling man, I am  
And I've seen a cheating girl, I've seen

Tonight, too hard to stop two hearts to beat  
To know two rights from wrong  
Tonight too hard to deal two hearts  
When everybody's letting go

The bets are on the table  
And the queen of spades is here  
The one eyed jack of diamonds  
Is whispering in her ear  
Saying "girl look out"

Tonight, too hard to stop two hearts to beat  
To know two rights from wrong  
Tonight too hard to deal two hearts  
When everybody's letting go

The stakes are getting higher  
So I fold my cards and go  
I'm a gambling man, I am  
And I know a losing hand, I know
