Give me a sign,  
Give me a sign that you won't back down tonight  
I'm doing fine,  
I'm doing fine just as long as we're alright

All you want's ahead of you, all you wanted could come  
true

From all I know, from all I've seen,  
There's nothing more impossible, there's nothing more  
impossible to me  
From all I know, from all I've seen,  
There's nothing more regrettable, than sitting still at a  
green

I think it's time,  
I think it's time that we make our move tonight  
For once in our lives,  
For once in our lives we can take this chance and try

It's nothing like the dream I had last night  
That's fading as the time of day goes by
