She said baby you're my gold -  
I said no babe, just you're banker  
She said baby you're my chains -  
I said no I'm..I'm you're anchor  
I said baby you're my wings -  
she said no babe, you're a fish  
I said baby you're my dream -  
she said no hun, just your wish

She said baby you're my river -  
I said no I'm..I'm you're drain  
She said baby you're my color -  
I said no babe I'm you're stain  
I said baby you're my diamond -  
she said no babe, I'm just you're pick  
I said baby, you are magic -  
she said no hun, just a trick

She said baby you can see me -  
I said baby I just sense  
She said baby you're my castle -  
I said no hun, I'm you're fence  
I said baby you are my lover  
she said no hun, just your maid  
I said baby I adore you -  
she said no babe you're just afraid.
