The memory bore a tear; the stars have faded, the  
dreams got quiet...  
Only the faith in eternity full of passion,  
Unmuffled flickered a little with a pale,  
Shivering flame...  
A small part of You I passes in me,  
A bit of Your dreams, which You didn't happen to tell  
me about,  
A bit of a felling that this damn time has taken away  
from Us...  
Remember me...  
Remember painlessly  
Full of ecstasy and sweetness of those moments,  
Culmination of time which has passed...  
We are so far away from each other,  
Parted by the void between two worlds, chated by  
time...  
I depart...  
I will lie beside You...
