Its an unlucky number,
But you're here to stay.
A black cloud that your under,
Everything out of phase.
Can you fell the vibrations,
Fell them getting strange.
Circus, circus, convolutions,
Staying up for days.

When the 13th Floor stakes,
Your mind disintegrates,
Your young heart will be rotten to the core.
You need another fix, of psychedelic kicks,
Staying up here on the 13th Floor.

You know you'll never fit in,
Don't even try to begin.
Up here you check out,
As soon as you check in.
You know it's like a poison,
And it gets you pinned.
The 13th Floor baby,
It gets under your skin.

When the 13th Floor stakes,
Your mind disintegrates,
Your young heart will be rotten to the core.
You need another fix, of psychedelic kicks,
Staying up here on the 13th Floor.

Take this trip you'll never get bored,
Come up to my floor,

I'll let you in the door,
You won't get to see the much daylight anymore,
I've been up for weeks,
Hanging with the freaks,
Staying up here on the 13th Floor.
