La la la la la la la la la  
Ohhhh

When I'm around you I'm so confused  
World spins around and around up and down  
Up and down I don't know how to put  
This words in a way you will comprehend

### Chorus

I got that phone call  
From you I don't understand  
You think were wrong not ment to be  
And the world stops and my heart stops beating  
I can't belive you left me for her  
How could you do this to me  
I actually had feelings for you she's  
Probably faking like that other one ohhhh  
Ya ya ya ya ohhh

### Verse 2

I woke the next moring with tears down my face  
And I remeber what you said then I get  
Another message from you saying your right  
And I was wrong she was the worst thing possible  
I just had sit and think of it all should I stay  
By myself or go back with him

### Chorus

You said I'm so glad  
To hear your vocie
