Kung Fu do what you do to me
I haven't been the same since my teenage lobotomy
Full on, I moved to Hong Kong
With Bruce Lee's brother and Johnny Wong

I think it's strange
He's friends with Fu Manchu
And he thinks he knows you
Uh uh uh uh uh oh
Oh Daniel San made in Taiwan
Come on Jackie Chan
Uh uh uh uh uh oh

Last night Jackie Chan came around
I played pool with him and we hung out
Mr. Miagi and the X-men
Called in for a while as well

I think it's strange
He's friends with Fu Manchu
And he thinks he knows you
Uh uh uh uh uh oh
Oh Daniel San made in Taiwan
Come on Jackie Chan
Uh uh uh uh uh oh

Gary Glitter! Scooby Doo! Rock Mc Murray!
And last but not least Ladies and gentleman
I give you...JOHNNY WONG!

Kung Fu do what you do to me
I can't live without my Kung Fu movies
'Shanghai Killers' and 'Deadly Road'
My life was ruined when the Green Dragon closed

Oh I think it's strange
He's friends with Fu Manchu
And he thinks he knows you
Uh uh uh uh uh oh
Oh Daniel San made in Taiwan
Come on Jackie Chan

Uh uh uh uh uh oh

I think it's strange
He's friends with Fu Manchu
And he's in love with you
Uh uh uh uh uh oh
Oh Daniel San made in Taiwan
Come on Jackie Chan
Uh uh uh uh uh oh
