In the end it all comes down to dust,
Language will vanish and machines will rust,
Reality will come apart at the seams,
Your life will unravel into your dreams,
Now a storm, it is gathering,
Reason's unravelling, streets,
They are burning and darkness is travelling,
Raw electricity, runs through the cities,
And now it is the time to be,
Running to me,
Nowhere to run to and no place to hide,
Make a final promise and I'll make you mine,
We'll burn with raw emotion as the flames arise,
Higher and higher in the western night,
Now a storm, it is gathering,
Reason's unravelling, streets,
They are burning and darkness is travelling,
Raw electricity, runs through the cities,
And now it is the time to be,
Coming to me,
No place to hide,
No chance of stalling,
No warning sign,
No way out calling,
No place to hide,
No chance of stalling,
No warning sign,
No way out calling,
No place to hide,
The mountains will crumble and the seas will rise,
It will rain fire from blood red skies,
I will shoot an arrow into your heart,
You will come running into my arms,
Oh tonight it is gathering,
Reasons unravelling, streets,
They are burning and darkness is travelling,
Raw electricity, runs through the cities,
And now it is the time to be,
Coming to me,
No place to hide,
No chance of stalling,

No warning sign,
No way out calling,
No place to hide,
No chance of stalling,
No warning sign,
No way out calling,
No place to hide,
Now a storm,
It is gathering,
Reasons unravelling, streets,
They are burning and darkness is travelling,
Raw electricity, runs through the cities,
And now it is the time to be,
Running to me,
No place to hide.
