Radiation
Gonna kill you, gonna kill you, yeah!
Yeah yeah yeah
You're sick, you're no one
You're nothing yeah!
Yeah yeah yeah
Burn 'em all one by one
Shoot them into planet sun

Yeah yeah yeah
Yeah yeah yeah

You're nothing, you're no one
You're nothing yeah
Nuke 'em all one by one
Shoot them into planet sun

You're sick
You're sick
You're sick

Radiation
Gonna kill you, gonna kill you, yeah!
Yeah yeah yeah
Yeah yeah yeah
You're sick, you're sick, you're sick, yeah!

Nuke 'em all one by one
Shoot them into planet sun
