"Sometimes"

Can't sleep in the city, you're far away
Cigarettes keep you skinny
And your mind off the rain
Sometimes, sometimes
Sometimes, sometimes

Feelings are distant, I know guilt by name
It was the hardest thing, watching you slip away
Sometimes, sometimes
Sometimes, sometimes

Sometimes it happens feelings die
Whole years are lost in the blink of an eye
We once had it all but event conspired
Sometimes

Good morning sweet thing you're safe in my hand
I am no saint, but I understand
Sometimes, sometimes
Sometimes, sometimes

Sometimes it happens feelings die
Whole years are lost in the blink of an eye
We once had it all but event conspired
Sometimes
Now that it's over, it is through
It gets me everytime I think of you
Sometimes It happens, feelings die
Sometimes

I miss your warm skin, beside me at night
I miss your flesh, in the dawn light
Sometimes, sometimes
Sometimes, sometimes

Sometimes it happens feelings die
Whole years are lost in the blink of an eye
We once had it all but event conspired
Sometimes
Saturn's decline in my star sign
Seasonal adjustments, stars realign

Sometimes it happens feelings die
Sometimes, sometimes
