"Dare To Dream"

Visit "[Dare To Dream](#)" on MotoLyrics.com

Strength, purity of mind
Youth, unconcerned with time
Overflowing spirit full of life
It's all lost

Hope, running free and wild
The will to never look behind
To search for something that you'll never find
It's all gone

Oh, why do you have to dream so hard?
It only breaks your heart

Brave in everything you tried
To the limits of your mind
The hedonistic voyages inside
All in vain

Oh, why do you have to dream so hard?
It only breaks your heart

Reckless heart!
Rebel spirit!
Heights of joy!

Challenge what is possible
You can change the world
Breaking through the speed of light
You will have to pay the price
Call of danger in the night
Chasing falling stars
Wonder what became of us?
You have seen too much
Too much
Too young

Oh, why do you have to dream so hard?
It only breaks your heart
