Is this the end of the world  
is this the end of the world

i'm feeling low today  
is this the latest fashion  
what do the papers say  
well then i'm bored already  
i could die, would anybody really notice

i can't relate today  
i've never felt so lonely  
is this the modern world  
maybe i'm dead already  
that's the catch, it's such a beautiful confusion

is this the end of the world  
is this the end of the world  
is this the end of the wor-rrr-rlld  
ah-hh, ah-hh

i breathe the motorway  
just for the sake of breathing  
i turn the tv on  
don't know what to believe in

uh ah, uh ah, uh uh uh, oh-hh yeah  
uh ah, uh ah, uh  
is this the end of the world  
is this the end of the world  
is this the end of the world  
is this the end of the world

can hardly see the stars  
there's too much light pollution  
is this reality  
or just some new illusion  
that's the catch, it's such a beautiful confusion  
that's the catch  
it's - such - a - beautiful - confusion  
i - can't - stand - it

is this the end of the world

is this the end of the world  
is this the end of the world  
is this the end of the world

the end of the world  
ah-hh

is this the end of the world (this beautiful confusion)  
is this the end of the world (this beautiful confusion)  
is this the end of the world (this beautiful confusion)  
is this the end of the world (this beautiful confusion)

ahh-hh  
ahh-hh, ahh-hh
