She's giving me the evil eye
A poison smile
Asking if I will stay
A while
I made a promise to deny
In blood
I signed
The line

Giving me the evil eye
I can't deny
Oh that girl, she's so damn fine
Divine, so fine
Bound through all space and time
Shivers running down my spine
Giving me the evil eye
She's mine

Sinister parasite
She occupies
Every little space inside
My mind
Corrupt thoughts here enshrined
So clandestine
Sublime

Giving me the evil eye
I can't deny
Oh that girl, she's so damn fine
Divine, so fine
Bound through all space and time
Shivers running down my spine
Giving me the evil eye
She's mine

Love is pain and love is blind
You don't know when you cross that line
Pretty soon you're intertwined
With this girl
Thunder rolls and lightning strikes
But you don't know what it's like
To be all torn up inside

In this world

Giving me the evil eye
I can't deny
Oh that girl, she's so damn fine
Divine, so fine
Bound through all space and time
Shivers running down my spine
Giving me the evil eye
She's mine; all mine
Promised to a valentine
Forever when the twelve bells chime
Giving me the evil eye
She's mine
