Guilt and pain haunting me everyday
Crushing me and I can't get away
Killing my heart and soul

Oh, my Nicole
Still I don't know what to say
Tortured every night and day
Isn't in my control

I said, "No
I killed my baby but I loved her"
I said, "No, no
I killed my baby but I loved her"

I said, "No
I killed my baby but I loved her"
I said, "No, no
I killed my baby but I loved her"
I killed my baby but I

Snowy skies, far away still alive
Scars are healing in your mind
In your heart and soul

Oh, my Nicole
I'm starting to realize
The fatal secret of my life
Isn't in my control

I said, "No
I killed my baby but I loved her"
I said, "No, no
I killed my baby but I loved her"

I said, "No
I killed my baby but I loved her"
I said, "No, no
I killed my baby but I loved her"
I killed my baby but I loved her

It's still haunting me night and day
Oh, my Nicole

You took a part of my life away
Oh, my Nicole
I relive it everyday
Oh, my Nicole, oh, my Nicole

No
I killed my baby but I loved her
I said, "No, no
I killed my baby but I loved her"
I killed my baby but I loved her
I killed my baby but I
