Not feeling broken hearted
Feeling just like when it started
I wake, it's a new day
No more heart ache breaking our way

Out of the blue
Into the slipstream, out of the blue
Into the slipstream, out of the blue
Into the slipstream, out of the blue
Into the slipstream

Sky blue, nothing to lose
Girl i want to get to know you
Its come from out of nowhere
All this changing, it's in the air

Out of the blue
Into the slipstream, out of the blue
Into the slipstream, out of the blue
Into the slipstream, out of the blue
Into the slipstream

Into a freefall, out of the blue
Into a dream world, out of the blue
Into the sunset, out of the blue
Into the slipstream, out of the blue

Do you feel?
What i feel?
Is it real?

Can't conceal, so unreal
What i feel
Yeah!

Out of the blue

guitar thaaang

Not feeling broken hearted
Feeling just like when it started

Out of the blue
Into the slipstream, out of the blue
Into the slipstream, out of the blue
Into the slipstream, out of the blue
Into the slipstream, out of the blue
Into the slipstream, out of the blue
Into the slipstream, out of the blue
Into the slipstream, out of the blue
Into the slipstream
