My heart is a tempest  
With blood and violency  
Your love is a blessin'  
Taken to the sea

A pre-premonition  
I pray for everyday  
A fairytale endin'  
Against the ecstasy

My love has been denied  
For the king has lost his mind  
No mercy is received  
For the cruel and jealous queen

And I will never know  
How it really feels  
To be with the one  
That I really need

I'm out of my mind  
'Cause I need your love  
I'm out of my mind  
'Cause I need your love  
I'm out of my mind  
'Cause I need your love

Merely a darling  
Precious majesty  
Stolen enchantment  
Sworn to secrecy

Have you forgotten  
The meaning of the [Incomprehensible]  
[Incomprehensible] they have found you  
So run away with me

My love has been denied  
For the king has lost his mind  
No mercy is received  
For the cruel and jealous queen

And I will never know  
How it really feels  
To be with the one  
That I really need

I'm out of my mind  
'Cause I need your love  
I'm out of my mind  
'Cause I need your love  
I'm out of my mind  
'Cause I need your love

My love has been denied  
For the king has lost his mind  
No mercy is received  
For the cruel and jealous queen

And I will never know  
How it really feels  
To be with the one  
That I really need

I'm out of my mind  
'Cause I need your love  
I'm out of my mind  
'Cause I need your love  
I'm out of my mind  
'Cause I need your love  
I'm out of my mind  
'Cause I need your love

Yeah, yeah, yeah, ha-oh-oh  
Nah-nah-nah, ha-oh-oh  
Yeah, yeah, yeah, hey-oh-oh  
Sha-na-na, ha-oh-oh
