Spinning out into the void
Waking up and feeling like you've been destroyed
Thirty-one nights of suicide
Near obliterated but you're still alive

Fearless state of mind
If you believe then you will never die

I can feel you
In my mind
I am feeling
So alive

In the shadows of death and gloom
Hiding seeking solace in the catacombs
Dead and resurrected in a foreign land
Reincarnated as a hawk-like man

Fearless state of mind
If you create then you will never die

I can feel you
In my mind
(I am feeling
So alive)
When the storm is breaking
And the ghosts are walking
When the walls are shaking
Watch the stars exploding

In the nightmares of the paranoid
Shaking in the fallout from the asteroid
Every waking minute learning mind control
Soar over the ocean and release your soul

(I can feel you
In my mind
I am feeling
So alive)
When the storm is breaking
And the ghosts are walking

When the walls are shaking
Watch the stars exploding
When the storm is breaking
And the ghosts are walking
When your heart is aching
Watch the stars exploding
Watch the stars exploding
