No, I won't be saved
No, I won't be saved

Heart is in my mouth
As I turn my face away
And I walk down the deserted streets
Desolate and gray
Nothin' more to say
Whispering your name
Under winter skies
Imprisoned by the thought of you
Captured by your eyes
Mesmerised

No, I won't be saved
I will always be enslaved
(All)
No, I won't be saved
In my heart your name engraved
(Heart)

I, I, I, I, I, I, I, I
I'm down on my knees
In a willin' sacrifice
I won't confess my transgressions
I won't repent my vice
I'll pay the price

No, I won't be saved
I will always be enslaved
(I, I, I, I)
No, I won't be saved
In my heart your name engraved
(I, I, I, I)

No, I won't be saved
I won't be saved

No, I won't be saved
I won't be saved

The visions come at night

I feel I'm hypnotised
I tremble as I fall into
The furnace of your eyes
And out of sight
(Yeah)

No, I won't be saved
I will always be enslaved
No, I won't be saved
I will love you to the grave
No, I won't be saved
I will always be enslaved
(I, I, I, I)
No, I won't be saved
In my heart your name engraved
(I, I, I, I)

Fallin' down, fallin' down, fallin' down, fallin' down
Fallin' down, fallin' down, fallin' down, fallin' down
Fallin' down, fallin' down, fallin' down, fallin' down
(No, I won't, saved, won't, saved)
Fallin' down, fallin' down, fallin' down, fallin' down
(Won't, saved, won't, saved)
(Won't be saved)
