How do rumours get started?  
Started by the jealous people  
They get mad  
See something they had  
And somebody else is holding  
They tell me that temptation  
Is very hard to resist  
But these wicked woman  
Oh, they just persist  
Maybe you think it's cute  
But girl I'm not impressed  
I tell you what I'm only  
With my business please don't mess

Chorus:  
When you look at all these rumours  
Surrounding me every day  
I just need some time  
Some time to get away from  
From all these rumours  
I can't take it no more  
My best friend said  
That's why I'll never  
Be with the girl next door

Did you hear the one about Susan?  
Some say she's much to loose  
That came straight from a guy  
Who claims he has the proof  
Did you hear that one about Michael?  
Some say he must be gay  
I tried to argue but they said  
If he was straight he wouldn't move that way  
Did you hear the one about Tina?  
Some say she's just a tease  
In a camisole  
She's six feet tall  
She'll knock you to your knees (when you)

Chorus

I can't go no place

With somebody pointing a finger  
Can't show my face  
'cause when it comes to rumours  
I'm a dead ringer  
It seems some rumours  
I just can't get away  
I bet there will be rumours  
Floating around on judgement day  
I think I'll write my congressman  
And tell him to pass a bill  
The next time they catch somebody  
Spreading rumours shoot to kill

Chorus

Stop stop spreading those rumours around  
Stop stop spreading those lies  
What's mine is mine  
I ain't got time  
For rumours in my life  
I'm a man who thinks  
Not a man who drinks  
So please let me live my life

Chorus
