And there i was
all years passing by
the curtain opens wild
profit by your chance
silent blue sky
actors will begin to act
you dared to show me
your warm smile

so the nerves came
it was the time
and no one moves
it?s going to start

suddlenly she appeared
just by my right
i need and must confess
i was surprised

she?s on scene
emotions in live
could i believe
that love came that night

oh! my little princess
i think that this is love
cos you?ve made a groove
in my heart

then the lights turn on
back to real world
outside there?s a heavy rain
Â“i?ll carry her homeÂ”

so my nerves came
it was the time
one breathless word
i have to try it

oh! my little princess
i think that this is love
cos you?ve made a groove

in my heart
when it's pouring rain
i remember the acting day
since then
i haven't seen her again

walking down the streets
she pronounced my name
the rain keeps falling
over our heads

silent magic night
it was a question of time
so the nerves came
but now we are getting high

find me find me find me
thought the water , rain
