Waiting for an answer
looking for a sign
to change my luck

maybe i must look forward
sometime?s going to free
my mind in shock

i need a brand new way to lead me to
a new beginning?s coming now
i?ll change this rule
i really never look at photographs
i wonder if you didn?t know
just what to do

seven days of glory
seven days to live
a different life
change my situation
to find a new direction
to survive

hands reaching for the sky
i need your wings to fly
break the rules and start
a brand new life
