i could?n stand  
one life is not enough

and i?m watching the sky  
waiting for a light  
that give me a little sign

when i looked into your eyes  
i was died

when i touch your little hands  
you are mine

the only one  
to conquer my heart  
and i?m wasting my time  
losing my mind  
i?m looking for the reason why  
now i look into your eyes  
you?ll be mine

something?s going wrong  
you don?t smile  
you have disappeared  
where you are  
you don?t answer the ohone  
i?m feeling alone  
what?s the reason you have gone  
now i?m cold and tired  
down the shoreÂ...
