Do you feel the heat  
and the beat of my heart  
can you see the smile  
in your face in my eyes

there's no pain around  
everything that i have found  
comes from my hometown

i know you now believe  
in the dreams of your life  
(yes you do)  
the way we should be in  
it's the way we are now

there's no pain around  
everything that i have found  
comes from my hometown

i believe  
i will fly  
everywhere  
till i die  
i must be  
in your eyes  
you will be  
my paradise
