I Just Need A Little Fantasy Voice
I Used To Be Your Favourite Toy
Do You Want To Know The News Oh! Man
I've Deceive You Sorry Once Again
I Know You Wish You Can Shout At Me Louder Please
My Head Is Spinning Round Memories Don?t Let Me
Think
It?s Twelve O?clock I Can?t Awake
I Can Explained Let Me Explain
Do You Really Want To Leave No No
Don?t You Know Darling You?re My Only Love
I Know You Wish You Can Shout At Me Louder Please
My Head Is Spinning Round Memories Don?t Let Me
Think
Inner Heart Life
I Need To Leave You Baby Cos I?m Feeling Like I?m
Crazy
When You Start To Talk About Breaking Up
It?s Better Don?t Try It Again If We Start When
Last Time We Left
Can You Remember All The Time We Spent Together
Those Different Days Are Gone
Many Times I Leave My Mind
To Imagine All The Plans You Had For My Life
Now I?m Living I?m Just Living Now I?m Feeling Baby
I?m Feeling Like A Free Bird In Love
Now I?m On Top Baby I?m On Top
I Need You?ll Know That I?m Crazy I?m Feeling Like
God
Oh! God Thank You God
But I Couldn?t Stand It Anymore
Many Times I Leave My Mind
To Imagine All The Plans You Had For My Life
