Painful Lover You?ll See Crying
In A Desert Full Of Signs
Mystic Thoughts Are Slyly Getting Old
Reigning With A Lost Religion
In A World Full Of Delirium
While The Angels Are Roving Around
Acts That Make You Sleeping Over
Playing Games Of Secret Lovers
Mystic Feelings From A Broken Heart
Screams Of Dreams Are Lost In Heaven
Freedom Cages With Your Laments
Make You Understand The Reason Why
Don?t Stop Me. Love Me Baby
Don?t Touch Me. Feel Me Lady
Don?t Lie To Me. Please Me Baby
Don?t Hurt Me . Kiss Me Lady
Lovers?Pain Is Full Of Sorrow
Seven Hundred Loves In Motion
All Your Feelings Atre Messing Around
Clemency For Poors And Robbers
Clemency For Wounded Lovers
Sexual Silent Dominate Their Minds
Jesus Knows My Name
He Knows I Feel His Pain
The Secret Of Lovers Is Behind His Faith
Ask For Love
Cry For More
