Day after day
all my thoughts turn insane
and i?m feeling your pain
in my heart
your desert life now
it?s praying to die
and your soul seeks and fights for a sign

waiting for a new direction
under a brand new creation
new rules that are changing all the world
there?s a white light
in the blue room
while the sun is over the moon
and your soul is turning
into dark

under the sand
there?s a big old lost town
all is dead there?s no life
all around
something will die
in the desert of life
and the heathen and prayer will die

waiting for a new direction
under a brand new creation
new rules that are changing all the world
there?s a white light
in the blue room
while the sun is over the moon
and your soul is turning
into dark
