Those Days When We Were Young They Won't Be Back
My Soul Collected Your Memories And Broke My Heart
You Said "My Days Will Be Your Days" But
Tomorrow's Gone
Time Can Put Out Our Fires And Dry Our Strongest Love
Could I Ever See The Sun?
Just To Have A Way Back Home
Nevermore
Could My Mind Teach To My Heart
Or Do I Have To Change My Way Of Life?
Lonely Screams Awake Your Hopes And Cries Don't
Sleep
Everytime I Think Of You Your Dreams Are All About Me
Could I Ever See The Sun?
I'm Sure I Won't
Won't Back Home...
To Those Years Of Love That I Missed
And Never Never Never Prayed For
