If you were me  
What would u do  
Always the lies  
And never the truth  
Now as for me  
I'm movin on  
You'll always be my baby

Chorus(2x)Baby I just gotta let you go for now  
Thought I could take ya for a while  
Maybe we can make it back around

Anything that I want I can get it boy  
You know you turn me on you know that's why I  
Switch my frame of mind  
Of being there when you call to always on time  
I'm lookin to spread my wings and party  
For everything and for everbody  
I need my space my time alone  
It's like our hearts don't match no more  
Still anything that u want u can get it boy  
You know I still got love for you  
In court I plead the Fifth  
My baby!!!

Chorus

When you was cheatin  
You was probably thinkin  
I won't sense to think  
But love got funny  
When catchin up to lies  
And your lies can't look me straight in the eyes  
I'm not suprised  
That you hurt me baby Oh why me baby  
Just let me breath in and  
I'll fly free babe

If you were me  
What would u do  
Always the lies  
And never the truth

Now as for me  
I'm movin on  
You'll always be my baby

Chorus

Why in the world would wanna leave me girl  
Is there sumthin I feel that you feel better  
Than what's here at home  
And I know a bitch can do bad on her own  
Your not alone  
The way you hurt me baby  
Shit why me baby  
I feel ya pain a little  
I know that love is real  
Ain't no eva lettin go  
That you feel the need to get back to me baby  
Who else gon hold you and sex you crazy  
R.U.L.E.  
Come on back and holla at me baby

Chorus

If you were me  
What would u do  
Always the lies  
And never the truth  
Now as for me  
I'm movin on  
You'll always be my baby
