Ain't nothing gonna change
the way I feel about you,
So many sacrifices I made
to do what I had to do
If anybody calls me crazy
I'll just say that in love
because god sent me an angel
from the heavens above

CHORUS

I never thought I could love again
untill god brought an angel in my life
I never thought that I could love
till god brung an angel into my life

Since you came
the world is brighter,
and if lhad a troubled day
you,d make it better
My love for you is unconditional
because the way you make me
feel,
I never felt before

CHORUS

Sappy, pathetic little me
that was the girl I used to be
then you came and swept me off my feet
Every night I use to pray
for you to come to me one day
and now you're what makes my
life complete

BRIDGE

I didn't have anyone to love me
and nobody to care,
and every night I prayed to god to send me somone
like you
you changed me so much
and showed me the true me
now I know where I want to be

REPEAT TWICE

CHORUS
