(Spoken Introduction)

I don't remember feelin like this...

Baby... baby, I love you... baby... baby, I love you

(Verse 1)

I got this Jones formin in my bones (from a man),  
Who indeed took over my soul, (understand),  
I couldnt breathe if he ever said (he would leave),  
Get on my knees, till they bloody red (baby please).  
See, I don't know if you get it yet, (just don't know).  
He's like the lighter to my cigarette (watch me smoke).  
I never knew another human life (didn't know),  
Can have the power to take over mine, so baby, baby

(Chorus)

Baby, baby, baby, baby, baby, (baby, I love you).  
Baby, baby, baby, baby, baby,.  
I love it when I hear yah name, got me sayin,  
Baby, baby, baby, baby, baby, (baby, I love you).  
Baby, baby, baby, baby, baby,.

(Verse 2)

See, I could never feel alone with you (in my life),  
I'll give up everything I own for you (wont think twice).  
Almost a shame how I'm mesmerized (such a shame),  
I lose my thought lookin in your eyes (I know why),  
Because your kisses make my lips quiver (ooh-ooh-  
ooh-and that's real),  
And when you touch me my whole body shivers. (ooh-  
ooh-ooh-I can feel).  
Now, I can see how another life (another life),  
Can have the power to take over mine,

(Bridge)

Cause you're my

(Chorus)

Baby, baby, baby, baby, baby, (baby, I love you).  
Baby, baby, baby, baby, baby,.  
I love it when I hear yah name, got me sayin,  
Baby, baby, baby, baby, baby, (baby, I love you).  
Baby, baby, baby, baby, baby,.

(Verse 3: Ad-libs)

Break it down.

Baby, I can't see my worth (I can't see),  
Living here on Gods green earth (Gods).  
You don't know what you've done to me (done to me).  
I never thought I'd need you desperately (desperately).  
It's kind of sick how I'm stuck on you (stuck on you),  
But I don't care cause I'm needin you (I'm needin you)  
And how I feel will remain the same (remains the same)  
cause you're my baby (cause your my baby).

(Verse 4)

Listen, and when the world starts to stress me out  
(where I run),  
It's to you boy without a doubt (you're the one),  
Who keeps me sane and I can't complain (cant  
complain),  
You're like a drug you relieve my pain (may seem  
strange).  
You're like the blood flowin through my veins (ooh-ooh-  
ooooh),  
Keeps me alive and feedin my brain (oooh-oooh-ooooh-  
ooooh).  
Now this is how another human life (another life),  
Could have the power to take over mine,

(Bridge)

Cause you're my

(Chorus)

Baby, baby, baby, baby, baby (baby, I love you).  
Baby, baby, baby, baby, baby.

(baby, I love you).  
Baby, baby, baby, baby, baby.
