[Chorus: Akon]

The way that you walkin, the way that you talkin
you're the one i want to spend this night with
tryna get in them draws and bang it out til the morning
i can already tell you want it
cause you shakin it all for me, givin it all to me
rubbin dat body on me
keep on shakin it all for me, givin it all to me
rubbin dat body on me

[Verse 1: Ashanti]

Hey boy
I think I just might wanna come see you tonight
And you can have your way boy
I know it's been a while since you made my body right
Now I've been waiting patiently, anticipating you and
me
And it ain't no question cause boy I love you when you
put that body on me

[Chorus: Akon]

The way that you walkin, the way that you talkin
you're the one i want to spend this night with
tryna get in them draws and bang it out til the morning
i can already tell you want it
cause you shakin it all for me, givin it all to me
rubbin dat body on me
keep on shakin it all for me, givin it all to me
rubbin dat body on me

[Verse 2: Nelly]

Hey how you doin mama
I need to know ur name
You givin me the eye eye
Im givin you the same
It just hit me right now
What we should do today
Go tell you friends bye bye
And lets go hop a plane
Its no mistaken the attractions ironic
I wanna make you someone more then just a a bon in
my closet

I wanna win that type of relationship
Where you wanna come hang when your man is trippin
You say your short this month and your late on your
rent
He took your car watchin me hold this
Hey hey you see oohhh
You see lil mama outta control

[Chorus: Akon]

The way that you walkin, the way that you talkin
you're the one i want to spend this night with
tryna get in them draws and bang it out til the morning
i can already tell you want it
cause you shakin it all for me, givin it all to me
rubbin dat body on me
keep on shakin it all for me, givin it all to me
rubbin dat body on me

[Verse 3: Nelly]

Shorty movin closer and closer

And slower and lower yeah
I think she know she makin me hard
Got every man in the buildin like oh my God
She slicker then lody dody
She work her body body
When you done her at the party
Meet me down there in the lobby
And ill be waitin on yah
And no debatin on yah
I got a seat for yah
We can let the top back and ohhhhhhh
We don't have to stop girl nooooooo
I got a lil something I wanna shoooooowww
Believe me your strong
Lil mama please don't make me wait too long

[Chorus: Akon]

The way that you walkin, the way that you talkin
you're the one i want to spend this night with
tryna get in them draws and bang it out til the morning
i can already tell you want it
cause you shakin it all for me, givin it all to me
rubbin dat body on me
keep on shakin it all for me, givin it all to me
rubbin dat body on me

[Verse 4: Ashanti]

Now I see you looking at my body baby
Now you wanna com an put it on me
If I gave it to you could you promise me

That you can make me feel like you never did
Cuz I see you and you see me
Now if I please you could you please me
Now I ain't the one in no relationship an I ain't tryna to
be the other chick I no you want it

[Chorus: Akon]

The way that you walkin, the way that you talkin
you're the one i want to spend this night with
tryna get in them draws and bang it out til the morning
i can already tell you want it
cause you shakin it all for me, givin it all to me
rubbin dat body on me
keep on shakin it all for me, givin it all to me
rubbin dat body on me

[Chorus: Akon]

The way that you walkin, the way that you talkin
you're the one i want to spend this night with
tryna get in them draws and bang it out til the morning
i can already tell you want it
cause you shakin it all for me, givin it all to me
rubbin dat body on me
keep on shakin it all for me, givin it all to me
rubbin dat body on me
