Saw you again for the first time
Been a long time
He brought out all these feelings
That I never knew I had inside
Seeing you with another girl
It didn't sit me with me cool
And I'm mad at myself 'cause I love you
And with or without you I'm goin' through hell
I don't think that I could shake ya
So baby, can we break up (Yeah)
I know that this is kind of crazy (Baby)
But baby, I wanna make up
I don't think that I could shake ya
So baby, can we break up (I don't think I could shake
ya, baby)
I know that this is kind of crazy (Crazy)
But baby (But baby), I wanna make up
I never knew but to love you
How I love you
I thought that I was through wit' you
So glad that I could be single
Now I'm gone thinkin' 'bout the past
And wish that we could just go back
And I'm mad at myself 'cause I love you
And I really want you to come on back
I don't think that I could shake ya (Yeah)
So baby, can we break up (Oh, I want you to come back
to me bad)
I know that this is kind of crazy (Hey, yeah)
But baby, I wanna make up (Hey, yeah)
I don't think that I could shake ya (Ooh...ooh...)
So baby, can we break up
I know that this is kind of crazy (I don't think I could
shake ya, baby)
But baby (Hey, yeah), I wanna make up
I don't know if I'm crazy
But all pain and the heartache you gave me
Finally made me
Wanna get back wit' you, oh...oh...oh...
You held her hand the way you held mine
You felt her, uh, the way you felt mine
And all the fightin' that we went through

See, I was already used to it
I don't think that I could shake ya
(Hey...ey...hey...ey...)
