When you call I come runnin' baby
Baby when you call I'll be right there baby
Baby when you call I come runnin' baby
Baby when you call I'll be right there
What's the deal with you and me
I know you feel the chemistry
I can tell what's on your mind
The same thing that's on mine
Ohhh
I feel it comin' on
The way I feel
Baby it just can't be wrong
Ohhh
I want you needin' me
And I'll come runnin'
Baby that's the way it's gonna be
When you call I come runnin' baby
Baby when you call I'll be right there baby
Baby when you call I come runnin' baby
Baby when you call I'll be right there
Tell me do you think of me
With you is where I wanna be
'Cause boy I got you on my brain
And I know you feel the same
Ohhh
I feel it comin' on
The way I feel
Baby it just can't be wrong
Ohhh
I want you needin' me
And I'll come runnin'
Baby that's the way it's gonna be
When you call I come runnin' baby
Baby when you call I'll be right there baby
Baby when you call I come runnin' baby
Baby when you call I'll be right there
Oh no baby
(c'mon)
I can't stop baby
(Don't stop, don't stop)
Oh no baby
(c'mon)

I can't stop baby baby
(Don't stop)
Oh no baby
(C'mon)
I can't stop baby
(Don't stop, don't stop)
Oh no baby
(C'mon)
I can't stop baby baby
(Don't stop)
Ohhh
I feel it comin' on
The way I feel
Baby it just can't be wrong
Ohhh
I want you needin' me
And I'll come runnin'
Baby that's the way it's gonna be
When you call I come runnin' baby
Baby when you call I'll be right there baby
Baby when you call I come runnin' baby
Baby when you call I'll be right there
Just call on me baby
Oh no baby
(C'mon)
I can't stop baby
(Don't stop, don't stop)
Oh no baby
(C'mon)
I can't stop baby baby
(Don't stop)
Oh no baby
(C'mon)
I can't stop baby
(Don't stop, don't stop)
Oh no baby
(C'mon)
I can't stop baby baby
(Don't stop)
