(ooooooooohhhh)

It's Christmas time again,  
Can't wait to hear those slay bells ringing.  
It's Christmas time again,  
Can't wait to hear those slay bells ringing.

It's kind of cold outside,  
But it's alright,  
Cuz it's Christmas time  
So let the snow begin, to decorate the city  
Christmas time, it's all so pretty (I love it)

It's Christmas time again,  
Can't wait to hear those slay bells ringing.  
It's Christmas time again, (again)  
Can't wait to hear those slay bells ringing.

The house is filled with cheer,  
Cuz there're all here,  
Tryna guess what gifts we got this year  
The kids can't wait to see  
If Santa left their shiny pots underneath the Christmas  
tree

It's Christmas time again,  
Can't wait to hear those slay bells ringing.  
It's Christmas time again,  
Can't wait to hear those slay bells ringing.  
It's Christmas time again,  
Can't wait to hear those slay bells ringing.  
It's Christmas time again,  
Can't wait to hear those slay bells ringing.

[Talking]

I remember the first time I made Christmas cookies  
It was me and my cousin,  
stayed up all night to put the icing on them  
And then everybody came over  
Meet, cook, bake pies  
And all my mom and dad bought, was 2 gallons of ice  
cream  
That's what I remember about Christmas

It's Christmas time again (it's Christmas time again)  
Can't wait to hear those jingling bells ringing  
It's Christmas time again  
Can't wait to hear those jingling bells ringing (can't  
wait)  
It's Christmas time again  
Can't wait to hear those jingling bells ringing  
It's Christmas time again  
Can't wait to hear those jingling bells ringing
