I watched you turn around and walk away.  
I made another decision, and I changed my life again  
today.  
I think I should have stayed with you,  
Another hour in bed.  
And then maybe I'd feel different  
And I wouldn't have run into him instead.

Oh I lied to you.  
When I told you baby,  
I cried for you.  
Now I am breaking up inside.  
Can't stop loving you,  
But I lied to you.  
I know I've broken your heart.  
And that's the story so far.

If you ask me what I have learned.  
Then I would tell you if you gonna walk through fire,  
You would get burned.

If we knew at the beginning,  
Then why do we have to rewind.  
Well I just realized the problem is  
I don't know where to draw the line.

Oh I lied to you.

Then I lost you baby.  
I broke in two.  
You took away my life.  
You took away my life.  
I'll never understand why I lied to you.  
I know I've broken your heart.  
And that's the story so far.

I'll do anything to hold you in my arms.  
I'll never do this to you, baby.  
What can I do?  
I'm sorry, I'm sorry baby.

Oh I lied to you.

I'll cry for you.  
I'd die for you, for you.  
Sorry baby, sorry baby.  
I know I've broken your heart.  
That's the story so far...  
so far...  
so far
