chorus:

oh you fancy huh
oh you fancy huh
oh you fancy huh
oh you fancy huh
nail done, hair done, everything done

oh you fancy huh

you fancy huh
oh you fancy huh
nail done, hair done, everything done
nails done, hair done, everything done
oh you fancy huh

you getting ready so i know we gon be here awhile
in the bathroom flat irons and nail files
spending hours in salons on your hairstyle
in the mall steady racking up the air miles
hit the gym step on the scales stare at the number
you say you dropping 10 pounds preparing for summer
and you don't do it for the man, men never notice
you just do it for yourself you're the fucking coldest
intelligent too ooh you're my sweetheart!
i've always liked my women book and street smart
long as they got a little class like half days
and the confidence to overlook my past ways
time heals all, and heels hurt to walk in
but they go with the clutch that you carry your lip gloss
in
and look i really think that nobody does it better
i love the way you put it together!

chorus:

oh you fancy huh
oh you fancy huh
oh you fancy huh
oh you fancy huh
nail done, hair done, everything done
nails done, hair done, everything done

oh you fancy huh
oh you fancy huh
you fancy huh
oh you fancy huh
nail done, hair done, everything done
nails done, hair done, everything done
oh you fancy huh?

well aren't you a breath of fresh air
from all these superficial gold digging bitches in here
they get a baller think that they ain't got to pick a
career.
guess they plan on sucking dicks until some millions
appear
voila! you do it right he might just buy you a car
unless you play these suckers just like b.o.b play the
guitar.
now here you are with your girls having drinks at the
bar
i say i'm buying you declining i think that's kinda'
bizarre!
independent with the demeanor of an rnb singer
make it rain finger (check)
m3 beamer (check)
champagne range
triple white caddy
closet full of brand new clothes and hand bags,
alexander mcqueen, prada, gucci, chanel
d&g, bcbg, versace, louie and bebe
ya don't need it greedy or easy as these other breezy's
who fuck for balls or reason?

chorus:
oh you fancy huh

oh you fancy huh
oh you fancy huh
oh you fancy huh
nail done, hair done, everything done
nails done, hair done, everything done

oh you fancy huh
oh you fancy huh
you fancy huh
oh you fancy huh
nail done, hair done, everything done
nails done, hair done, everything done
oh you fancy huh?
