I've gotta get out and learn what life's about  
Be sure that you're the one for me  
And if so I'll know, but now I don't  
So let me go and see  
I've gotta get out and learn what life's about  
Be sure that you're the one for me  
And if so I'll know, but now I don't  
So let me go and see

I don't know what's come over me baby  
But I know this is driving me crazy  
I don't know if I'm wrong for feeling this way  
There is something deep inside that I can't hide  
And I know that I gotta stop running away  
So here is what I'll say

I've gotta get out and learn what life's about  
Be sure that you're the one for me  
And if so I'll know, but now I don't  
So let me go and see  
I've gotta get out and learn what life's about  
Be sure that you're the one for me  
And if so I'll know, but now I don't  
So let me go and see

We've been together for so long and I know this  
It's tearing me apart to know that I might mix  
I'll learn something I have never got to experience  
Don't ever think for a moment I don't love you  
And if you love me then you'll trust me  
And you know that I'm right so I'm leaving you tonight

I've gotta get out and learn what life's about  
Be sure that you're the one for me  
And if so I'll know, but now I don't  
So let me go and see  
I've gotta get out and learn what life's about  
Be sure that you're the one for me  
And if so I'll know, but now I don't  
So let me go and see

Baby you always have had my heart  
Leaving you may seem wrong  
I can't go on  
Thinking there may be someone else for me  
To be with you and never know about another  
Forever only loving you

I've gotta get out and learn what life's about  
Be sure that you're the one for me  
And if so I'll know, but now I don't  
So let me go and see  
I've gotta get out and learn what life's about  
Be sure that you're the one for me  
And if so I'll know, but now I don't  
So let me go and see

I've gotta get out and learn what life's about  
Be sure that you're the one for me  
And if so I'll know, but now I don't  
So let me go and see  
I've gotta get out and learn what life's about  
Be sure that you're the one for me  
And if so I'll know, but now I don't  
So let me go and see
