Whoa, ha ha
Right back at ya
It's the world's most talented record label
Murder Inc.
And that's the new talent in the background
Oh that's the princess of Hip hop and R&B
Yeah Miss Ashanti

Boy you fill me with so much joy
You give whatever it is I need
My love here to stay, won't never leave
So glad that you fell in love with me

My love is so good
That I wouldn't be without you babe
Couldn't see me without you babe

My love is so good
That I wouldn't be without you babe
Couldn't see me without you babe

All of my life
(I've been searching for you)
Everyday
(So glad that I found you boy)

On my mind
(I've been feining for you)
Everyday
(I'm so happy baby)

Boy you got me feelin' so good
You take all the pain away from me
Without you around, I couldn't breathe
And I knew you fell in love with me

My love is so good
That I wouldn't be without you babe
Couldn't see me without you babe

My love is so good
That I wouldn't be without you babe

Couldn't see me without you babe

All of my life
(I've been searching for you)
Everyday
(So glad that I found you boy)

On my mind
(I've been feining for you)
Everyday
(I'm so happy baby)

I'm so happy that I fell in love
I thank God he sent you from above
I'm so happy that I found someone
I thank God he sent you from above

All of my life
(I've been searching for you)
Everyday
(So glad that I found you boy)

On my mind
(I've been feining for you)
Everyday
(I'm so happy baby)

All of my life
(I've been searching for you)
Everyday
(So glad that I found you boy)

On my mind
(I've been feining for you)
Everyday
(I'm so happy baby)

Hmm that I wouldn't be without you babe
Couldn't see me without you babe
It's so good, that I wouldn't be without you babe
Couldn't see me without you baby
