Whoa, ha ha  
Right back at ya  
It's the worlds most talented record label  
Murder Inc.  
And that angelic voice you hear in the background  
Oh that's our new princess of Hip-Hop and R & B  
Ashanti  
Boy you fill me with so much joy  
You give whatever it is that I need  
MY love is here to stay,  
Won't never leave  
So glad that you fell  
In love with me  
My love is so good  
That I wouldn't be without you babe  
Couldn't see me without you babe  
My love is so good  
That I wouldn't be without you babe  
Couldn't see me without you babe  
All of my life (I've been searching for you)  
Everyday (So glad that I found you boy)  
On my mind (I've been feeling for you)  
Everyday (I'm so happy baby)  
Boy you got me feeling so good  
You take all the pain away from me  
Without you around, I couldn't breathe  
And I knew you fell in love with me  
My love is so good  
That I wouldn't be without you babe  
Couldn't see me without you babe  
My love is so good  
That I wouldn't be without you babe  
Couldn't see me without you babe  
All of my life (I've been searching for you)  
Everyday (So glad that I found you boy)  
On my mind (I've been feeling for you)  
Everyday (I'm so happy baby)  
I'm so happy that I fell in love(fell in love)  
I thank God he sent you from above(sent you form  
above)  
I'm so happy that I found someone( found someone)  
I thank God he sent you from above

All of my life (I've been searching for you)  
Everyday (So glad that I found you boy)  
On my mind (I've been feeling for you)  
Everyday (I'm so happy baby)  
All of my life (I've been searching for you)  
Everyday (So glad that I found you boy)  
On my mind (I've been feeling for you)  
Everyday (I'm so happy baby)  
Ohhh that I wouldn't be without you babe  
Couldn't see me without you babe  
It's so good, that I wouldn't be without you babe  
Couldn't see me without you baby
