[Chorus:]

Here's my number babe I'm gonna give it to you
Here's my number babe so what you wanna do
Here's my number babe I'm gonna give it away
Here's my number babe call me up when you wanna
play
Can I play now babe I let you play now babe Is it off the
chain babe It's ridiculous

I may not come off to you like these other girls
This in particular chick ain't like no other girl
I'm in a class of my own and I can't help
I never give it away just call me selfish
You gotta work boy to touch a piece of this cause I'm
here to tell you boy my shit ridiculous

[Chorus]

I not gonna tell you pipe dreams like them other guys
I'm give your pie screams cause I'm that other guy girl
I gotta rock a bye lullaby put yo ass to slee real deep ah

You gotta work boy to touch a piece of this
You know I will
Just make sure it's ridiculous
