First verse:

Fellaz I'ma let you know exactly how to do it
Everything you need to know on how to keep your
woman
Show her that she's yours, make her feel secured
And you aint even trippin lookin at them other boys
Check her when she needs to be checked
And sex her when she needs to be sexed
Grab her by the waist and tell her to her face that this is
yours and can't nobody come and take it hey

Chorus:

This is how, this is how, this how you keep your girl (this
is how you do it)
This is how, this is how, this is how you keep your girl
(this is how you do it)
This is how, this is how, this how, you keep your girl
(this is how you do it)
This is how, this is how, this how, you keep your girl (this
is how you do it)
Th-Th-Th-This is how you do it

Second Verse:

Tell her that shes fine, and she got it like no other
And even if you try, you can't place no one above her
And every now and then, tell her just how much you
love her
And money ain't a thing, put some diamonds in her
ring
And take her home, and spend a moment, look at
yours, just for your girl
But don't get it twisted, remember she comes first, it
ain't all about the dough

Chorus:

This is how, this is how, this how you keep your girl (this
is how you do it)
This is how, this is how, this is how you keep your girl
(said I'm here to tell you boy)
This is how, this is how, this how, you keep your girl
(this is how you do it)

This is how, this is how, this how, you keep your girl(this
is how you do it)
Th-Th-Th-This is how you do it

Bridge:

Rule #1 you gotta put in work

Rule #2 you gotta keep it real

Rule #3 you gotta touch her right, cause you gotta
know how to make a lady feel

Rule #4 you gotta keep it up, don't make her fall then
switch it up

Smiley faces in the sidekick, make her blush, it's the
little things yea that mean so much

Take her out, show her off, late night calls, sexy talk
Brothers in the crew know she come first, in the front
seat of the lambo fur

Let her know you her soilder(soilder), put her real close
and hold her(her)

I bet she'll salute(salute), this is what you do

Chorus:

This is how, this is how, this how you keep your girl (this
is how you do it)

This is how, this is how, this is how you keep your girl
(this is how you do it)

This is how, this is how, this how, you keep your girl
(this is how you do it)

This is how, this is how, this how, you keep your girl(this
is how you do it)

Th-Th-Th-This is how you do it (Repeat x2)
